Nilax Overseas

We are a top-notch organization engaged in exporting manufacturing & merchandising of Diesel Engine, Centrifugal Pump, Diesel Engine Spare Parts & Automobile Spare Parts. These are appreciated for high performance, low maintenance.

Profile
Established in the year 2011, we “Nilax Overseas” are widely acknowledged as a reliable and trusted exporter , manufacturing and merchandiser of Diesel Engine, Diesel Engine Spare Parts & Automobile Spare Parts. These are known for optimum quality, high performance, durable finishing and low maintenance features. Sourced from well known manufacturers, these are also in compliance with the industry standards. Backed by our association with leading vendors, we have been able to meet the growing demands of our global clients.

The skilled professionals and wide network channel have further enabled us to build a vast client base across Kenya, Uganda, Malaysia, Syria, Malawi, Morocco, Tanzania, Sudan, Mogadishu(Somalia), Nigeria, Iran, Iraq, Saudi Arabia, Germany, Thailand, Congo, Sri Lanka, Guyana, Jordan, Yemen, Lebanon, Egypt. Our quality centric and customer friendly approach enables us to meet the qualitative as well as quantitative demands of clients effectively. The in-depth expertise and man management skills of our mentor “Mr. Chetan Pujara (Proprietor)” have enabled us to become a foremost choice of our clients. It is his profound guidance that we have been able to maintain the economies of scales throughout these years.
